6th Annual "RIDE OF YOUR LIFE" Suicide Prevention Event

August 19, 2018

Dear Friend and Colleague,

We are writing for your help in sponsoring the **6th Annual Ride of Your Life suicide prevention event on August 19, 2018**. This event is being held at Montachusett Regional Vocational Technical High School in Fitchburg. It includes a three hour motorcycle ride through North Central Massachusetts, health and wellness information, vendor booths, job fair resources, displays, and a BBQ lunch, music and much, much more.

Each year, millions of Americans are directly affected by hundreds of thousands of suicide attempts made by friends or loved ones. Suicide was the **10th** leading cause of death; **two times higher** than the number of motor vehicle traffic-related deaths and **four times** higher than homicides.

(Mass DPH DATA BRIEF: SUICIDES AND SELF-INFLICTED INJURIES IN MASSACHUSETTS 2015)

We invite and encourage you and/or your organization to come and be a part of this event joining us as a sponsor. The proceeds raised from this event will go towards our suicide prevention efforts including but not limited to education, outreach and programs in our region. We provide free trainings on Suicide Prevention if you are interested in learning more please contact us for more information.

Please take just a moment to review the options available to you to support this worthwhile event. We look forward to your participation.

Barbara Nealon & Nora Salovardos Co-Leaders
